Narrative text

On June 3rd, 2024, at approximately 0750 hours, Roy Philips reported on the west side of the campus that a table was on the floor destroyed alongside an Elbow Pipe.

After reviewing Camera 'HIA-2112-00 West Breezeway/Parking Area' at 0613 hours, a man with straggly brown hair and a beard was wearing long Dark Sweatpants and a Dark Colored T-Shirt with unidentifiable white lettering was seen walking from 46th Street onto the campus.

At approximately 0615 hours, the unknown man approached the Table and flipped it, causing the table to hit the Elbow Pipe connected to the wall, leaving both items destroyed.

The Unknown man then proceeded to walk towards lot 4 before subsequently departing from campus on to 17ct at approximately 0618
